Media release for Southampton Diving Academy

A team of five divers from Southampton Diving Academy represented the club on Saturday 13th September in the Southern Counties Amateur Swimming Association Junior and Senior Masters Diving Competitions and the Southern Junior and Senior Masters Diving Competitions held at Crystal Palace.

Altogether the team came away with 7 gold, 8 silver and 3 bronze medals, the most successful team at the meet.

The newest member of the team, Terry Boyce, diving for the first time competitively, came away with 2 silver and 2 bronze medals. His background in trampolining has given him an excellent grounding for his new sport.

Coach for the team, Chris Jenkins, was delighted with the outcome. "Most of our team have come to this sport relatively recently and only have the opportunity to train twice a week," she explained. "This result shows that they are currently the best Masters team in the South of England, something that we are all very proud of."

Full results were as follows:
